

Dress Code and Guidelines for Special Occasions

This guide is a quick reference to help you plan for dances and other special events throughout the year. When you registered for the new school year, you confirmed your support of the Handbook policies. Outside guests attending dances are also expected to follow these guidelines. Thank you for helping us create safe and enjoyable events for all students. Please note that students who do not follow the guidelines may be asked to leave the event, in keeping with our discipline policy. Our goal is for everyone to have a fun and memorable time!
