Introductory Comments

The rules and policies for Central Private School outlined in this handbook are the material condition of a contractual agreement between the school and the student and his/her parents/guardians. The administrative team of Central Private School has tried to be as explicit as possible in its design, but during the academic year new and unusual circumstances may arise. The Head of School has the authority to use discretion in making decisions regarding unforeseen circumstances, thereby, amending the student handbook for just cause. Parents and students will be given notice when such changes are made.

Failure to abide by the regulations and policies of the school handbook by either the student or his/her parent/guardian may result in the student's removal from the school.

Currently enrolled families are required to read the Student & Parent Handbook carefully to ensure a thorough understanding of its contents. Both the student and his/her parents must sign the contract acknowledging that they have read and do understand this handbook and agree to be accountable for and supportive of the rules and regulations contained herein.

The handbook is on the school website and may be downloaded if desired. The information page requiring signatures will also be available in online enrollment.

ASBESTOS ABATEMENT NOTICE TO ALL SCHOOL FAMILIES

Law requires that the following notice be made to all students, parents, legal guardians and employees of Central Private School: On April 26, 1989, the Central Private School submitted an asbestos abatement management plan to the Louisiana Department of Environmental Quality. This plan documented the results of inspections of all buildings of Central Private School for asbestos containing building materials. It also defined the program for eliminating the presence of asbestos containing material, if any, and the cost involved. A copy of this plan is located in the main office of Central Private School.

NON-DISCRIMINATION STATEMENT

Central Private School, Inc., admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the bases of race, color, national and ethnic origin in administration of its educational policies, scholarship and loan programs, and athletic and other school-administered programs.

Academics

CPS offers a college preparatory curriculum that challenges students to excel in all grade levels. All subjects are taught from a Christian perspective. CPS uses a variety of resources carefully selected to provide students with a solid academic foundation and to develop their critical thinking, imagination and communication skills.

The pre-kindergarten curriculum is developmentally appropriate and incorporates hands-on activities and field trip experiences. Abeka materials are the primary resource used to teach phonetics, writing, and number skills. Students attend weekly enrichment classes which include physical education, music, computer, and library.

Kindergarten through second grade are self-contained classrooms which uses the primarily Abeka materials to provide students with a strong phonics and math background. Hands-on activities and field trips are incorporated to enhance student learning. Core subjects include reading, language arts, math, science, and social studies. Students attend weekly enrichment classes which include physical education, art, music, computer, and library.

Third through fifth grade student transition from self-contained classrooms to departmentalization. All students are assigned lockers. The curriculum focuses on core subjects and uses Abeka materials along with other excellent resources. Hands-on activities and field trips are incorporated to enhance student learning. Core subjects include reading, language arts, math, science, and social studies. Students attend weekly enrichment classes which include physical education, art, music, computer, and library.

ELECTRONIC GRADEBOOK

CPS uses an electronic grade book program called FACTS (formerly RenWeb) which teachers update on a regular basis. Parents/guardians can access such information on their own child using Family Portal (formerly ParentsWeb). Family Portal gives a parent/guardian access to their student(s) grades, attendance records, class assignments, and teachers' email addresses.

To activate your Family Portal account:

- Go to the school website, www.centralprivate.org.
- Go to "Parent Resource" tab at the top of the page, select "Parent Portal" from the drop-down menu, and click on the "Parents Web Login" or click on the  icon at the top of the page. Both will take you to Family Portal Login.
- The District Code (CPS-LA) will automatically be displayed.
- Enter your Username. (Each person's email address given upon school enrollment.)
- Password = the same password you used last year

IF YOU ARE A NEW USER or if you don't remember your password, click on the "Forgot Password" link. You will see a new screen that requires re-entering your email address and a button labeled "Reset Password." Follow the instructions to receive a password to the email address you provide.

Note: Kindergarten students do not receive grades for the first nine weeks. Beginning with the second nine weeks, students receive grades in phonics, numbers, and handwriting. A reading grade and a spelling grade are added for the third nine weeks.

Progress Reports: Progress Reports are issued/posted at the midpoint of each nine-week period. Elementary students will not receive a printed progress report; a progress report note will go home in the Tuesday folder. The progress report note requires a signature from a parent/guardian, indicating that you have viewed the student's grades on FACTS (formerly RenWeb), and must be returned the following school day.

Report Cards: First and third nine-week report cards are sent home in Tuesday folders. These report cards require a signature from a parent/guardian and must be returned the following school day. Second and fourth nine-week report Cards are mailed at the end of each semester. This is an official grade report which may be kept for your records. No signature is required.

GRADING PERIOD DATES

Grading periods are posted on the Family Portal (formerly ParentsWeb) calendar at the beginning of the school year. Please refer to calendar for specific dates for progress reports and report card mailing dates.

PROMOTIONS

K3/K4/Kindergarten

K3/K4/Kindergarten student promotion will be based on cumulative student evaluations, readiness test, grades, and teacher recommendations which include observations of social, emotional, and physical maturity levels. Parents will be consulted if promotion is doubtful.

Grades 1-5

If a student has a failing grade in two of the core subject areas (language arts, mathematics, science, social studies, and reading) at the end of the academic year, he/she will not be promoted to the next grade and will be retained.

For retention purposes, failing grades are determined by averaging the four 9-week grades per subject. The Elementary Coordinator and/or the Head of School will make the final determination in all promotions and retention.

CONFERENCES

Conferences are designed to strengthen the partnership between home and school so the student can be a successful learner. Annual parent-teacher conference days will be held each fall and spring. Additional conferences may be scheduled at any time during the school year by the parent, teacher, administrator, or guidance counselor if concerns arise about a student's academic progression.

Appointments may be scheduled by emailing the teacher directly or through the elementary office.

CLASSROOM ACCOMMODATIONS

Minor classroom accommodations may be utilized to meet the needs of individual students. Any parent/guardian who is interested in their student receiving classroom accommodations for a student with a learning issue or a documented special need should contact the guidance counselor for more information. Documentation must be on file with the school guidance counselor before an accommodation is granted. CPS reserves the right to make the final determination if CPS will be able to effectively provide or meet the physical, academic, social, and emotional needs or services of a student.

STANFORD ACHIEVEMENT TEST (SAT)

All students in 3rd -5th grade are tested each spring using the Stanford Achievement Test 10 which compares our students with students on a national basis. On average, CPS students consistently score 1-3 grades levels above their national median grade level.

AWARDS DAY

The Awards Day program recognizes 1st – 5th grade students' achievements and academic excellence during the school year at an annual awards ceremony. Parents and family members are encouraged to attend.

ACADEMIC PROBATION

Grades are evaluated at each nine-week period. Any student who has earned more than one failing grade at the end of a nine-week grading period is placed on academic probation until the following nine weeks grading period. A letter advising of the student's status will be mailed home. Students and parents must meet with Head of School or his/her designee and/or the guidance counselor following the probation letter to establish a plan for student achievement. The Head of School or his/her designee may assign the student tutoring. If goals are not achieved the student may not be allowed to enroll at Central Private the following school year.

TUTORING

CPS allows its faculty to tutor CPS students using CPS facilities and equipment during non-school hours. Non- school time is defined as those times that are outside of normal school hours. There is no tutoring between 7:00 a.m. - 3:00 p.m. Teachers are free to negotiate a rate with students and parents for this service during non-school hours.

In general, a teacher who has a student in the class that he/she is presently teaching should not be charging the student enrolled in their class for tutoring services as this practice could be construed as a conflict of interest. An exception to this rule could be made by the Head of School if the teacher providing the tutoring is the only available qualified tutor as determined by the Head of School. An example of this may be a foreign language teacher if that teacher is the only person available who is qualified to provide the tutoring service.

Attendance

Central Private School adheres to the all Louisiana attendance laws for nonpublic schools. Elementary students shall be in attendance a minimum of 160 days a school year.

ABSENCES

In accordance with Louisiana Revised Statutes 17:226, elementary students are excused from compulsory attendance for twenty (20) days during the school year.

Excused absences:

- Children who are personally ill and whose attendance in school would endanger their own health or that of their classmates;
- Children in whose families there is serious illness which would reasonably necessitate the absence from school...if the illness is substantiated in writing by a physician licensed to practice in the state;
- Children in whose immediate family a death has occurred, such absence not to exceed one week because of and at the time of such death; and
- Children whose religious faith requires absence for the observance of special and recognized holidays of the child's own faith.

Procedure to report back to school following an absence:

- Students returning to school after a day's absence for any reason **MUST** present a signed note from a parent or legal guardian stating the reason for the absence. However, a note from a parent does **NOT** necessarily mean that an absence is excused; it is only an explanation for the absence that allows the student back into school.
- An excused absence will only be granted in accordance to the LA DOE Bulletin 741. The administration will determine if the absence meets the criteria for an excused absence according to LA DOE Bulletin 741.
- A doctor note or excuse for funeral/religious absence must be turned in within 48 (forty-eight) hours of the student returning to school.
- **EXCUSED** absences will not be granted after the 48-hour period.

IMPORTANT: A student must be fever, vomit and/or diarrhea free for a minimum of 24 hours before returning to school. A student who is diagnosed with a contagious illness or condition must be cleared by an official doctor's note to return to school.

NOTE: K3, K4 and Kindergarten students – Excess absences (more than 20) could hinder a student's mastery of the necessary skills for promotion. Attendance will be included in the final assessment for promotion.

TARDY

Promptness and regular attendance are necessary for academic success at CPS. Teachers and students have the right not to have instruction time interrupted by students who are tardy to school.

- Students arriving to school between 7:35 a.m. – 8:00 a.m. are considered tardy.
Parents/guardians are must accompany the student to the elementary office to sign in and obtain admit slip. All students must have an admit slip before entering the classroom.
- Excused tardies will include doctor/dental visits, illness and traffic conditions that cause many students to arrive to school late. All other tardies will be considered unexcused.
- All tardies are counted against a student's attendance record. To receive perfect attendance, a student must be in attendance from the first morning bell until the afternoon dismissal bell.
- The school administration will be the final authority in determining whether tardiness is excused or unexcused.

Excessive Tardies

- Each elementary student (PK3 – 5 grade) is allowed three tardies in each nine-week period. Upon every fourth tardy in a nine-week period, the student will receive an unexcused absence.
- Upon the eighth tardy in a nine-week period, parents will be contacted by elementary coordinator and/or Head of School.
- If excessive tardies continue after parents are contacted, a parent conference, or other consequences, as determined by the administration, will result.

CHECKING IN AND OUT OF SCHOOL

Regular attendance is necessary for academic success at CPS. Teachers and students have the right to not have instruction time interrupted by students who excessively check in or check out of school. Check-in or check-out are excused in the same manner as absences. The school administration will be the final authority in determining whether late check-ins are excused or unexcused. A student must be present for at least 4 hours to not receive an absence for the day. All check-ins/check-outs are counted against a student's attendance record.

Check-Ins

Students arriving to school after 8:00 a.m. are considered late. **Parents/guardians must accompany the student to the elementary office** to sign in and obtain an admit slip.

- Students must have an admit slip before entering the classroom.
- An explanatory note for the late check-in from the parent/guardian or doctor/dentist is necessary.
- Notes are required even if the parent is present or has called the office.
- Students who check in late on the day of a previously scheduled test or assignment will take the test/submit the work due immediately after checking in and before attending the remaining classes of the day.

Check-Outs

Parents/guardians are not allowed to go directly to the classroom to retrieve their children.

Please understand that the procedures outlined below are for the child's protection and safety:

- The parent/guardian must sign a check-out form in the elementary office (elementary building).
- Students will be picked up from the elementary office.
- If someone other than the parent/guardian has permission to pick up the student, the school office personnel must be notified, preferably in writing, prior to the student's release.
- Teachers will not release students unless this procedure is followed.
- Students who leave early are responsible for all work missed.

Excessive Check-ins or Check-outs

- PK3 – 5 grade students are allowed three check-ins or check-outs in each nine-week period.
- Upon the fourth check-in/check-out in a nine-week period, a conference with the parents and elementary coordinator and/or Head of School or his/her designee will be held.
- If excessive check-ins/check-outs continue after the conference, assigned absence(s) or other consequences as determined by the administration will result.

Field Trips

Field trips are provided for teaching and learning experiences; therefore, students are expected to attend unless they are absent for one of the reasons allowed under Louisiana Attendance Law. A student who is kept home for reasons other than those outlined by law will be marked absent-unexcused. Field trip privileges may be lost by individual students due to disciplinary action. Students who lose field trip privileges will remain at school under the supervision of a teacher and do assigned work on the day of the field trip; the student is not excused from being at school. Failure to comply will result in an unexcused absence with the accompanying consequences.

MAKE-UP WORK

When a student is absent, he/she may access homework assignments from Family Portal (formerly ParentsWeb). For extended absences, parents may call the respective office and request to pick up schoolwork. Make-up work for full credit is permitted only for excused absences. For excused absences students have one (1) day for each day missed to make-up all work and tests. Make-up work for unexcused absences is at the discretion of the teacher.

Immediately upon return from an absence, the student must make arrangements with the instructors to complete missed assignments/tests.

PERFECT ATTENDANCE

Perfect attendance is an award given only to those students who attend school every day from the beginning until the close of the scheduled school day. The only exceptions will be the student's involvement in school- approved activities, or a death in the immediate family.

Tardies and early check outs (excused or unexcused) are counted against the student's attendance record. In-School-Suspension is not considered an absence from the school campus.

TRUANCY

No student may miss a class, part of a class, or leave campus without permission from the classroom instructor and prior acknowledgement from the main office. Students must have parental permission and appropriately sign out in their respective office. A student who is inappropriately missing from class, part of a class, or leaves the premises without permission is considered in violation of school policy. In addition, any student with excessive or unexcused absences is also in violation of school policy. The parent/guardian will be notified, and disciplinary action will be taken.

Dress Code

The purpose of the dress code is to encourage students to dress decently and be a positive representative of themselves and their home, as well as Central Private School. The uniform also provides a safety factor for our students and will not allow strangers to come onto our campus unnoticed.

- Students who enroll at CPS after the beginning of the school year must purchase uniforms within a ten (10) day period or bring a note from the vendor stating the reason the student cannot conform to the uniform dress code within that time frame.

The primary guidelines to be followed for approved non-uniform occasions are cleanliness, neatness, modesty, and style. If the style of dress or the appearance is disruptive to the educational process or constitutes a clear threat to the safety and/or health of the student, it shall not be permitted at school.

On non-uniform occasions, uniforms do not have to be worn but all students are expected to be clean, neat, and to take reasonable pride in their appearance. Styles of dress that are extreme or test the limits of modesty are not allowed. Clothing that includes profanity, promotes the use of alcohol or tobacco, is derogatory to any class or category of people, or promotes political opinion is prohibited. Specific guidelines for approved non- uniform occasions include, but are not limited to, the following:

- No visible body piercing and/or body art (including temporary tattoos) are permitted.

DRESS CODE/GROOMING CODE VIOLATIONS

Parents will be called to bring proper attire for most dress code violation. However, minor violations, such as having no belt or unapproved outerwear, will receive a written warning that must be signed by a parent.

Disciplinary actions will be taken for repeated warnings.

The Head of School or his designee shall be the final interpreter of the dress code and grooming code.

Discipline

CPS Philosophy

For learning to take place we must maintain an environment which is conducive for learning. Our goal is for our students to develop self-discipline. When our students do not exercise self-discipline, violate school rules and policies and/or disrupt the education of others, the head of school or his/her designee will address the infraction on an individual basis according to his/her discretion.

GUIDELINES

The discipline program established at Central Private School has as its objectives:

- To establish and maintain favorable study conditions free from distraction and misbehavior.
- To establish and maintain respect for authority within the school.
- To develop, on the part of the student, ideals, interest, habits and skills that make for self-government and good citizenship.

All students must show respect for all members of the CPS administration, staff, faculty, aides, and substitute teachers at all times. Acts of disrespect will not be tolerated.

All students are to conduct themselves in an appropriate manner at all school-sponsored activities (home and/or away functions). Failure to do so will result in the student losing his/her privilege to attend such functions. Any student who starts or participates in any unauthorized disruption or disorderly protest will be suspended from school immediately.

All discipline decisions will be handled by the Head of School or his/her designee.

ELEMENTARY INFRACTIONS AND CONSEQUENCES

Minor Infractions:

Dress code violation, disruptive behavior (Minor), unsafe rough play, uncooperative behavior, failure to complete assignments, failure to follow classroom rules, possession of electronics, name-calling/quarreling, inappropriate language/comments, and other minor infractions as noted by the teacher.

Major Infractions:

Disrespect to adults, willful disobedience, disruptive behavior (Major), lying/cheating/stealing, profanity or inappropriate gestures, fighting/shoving, bullying/harassment, aggressive behavior (physical/verbal), instigating conflict/disruption, inappropriate use of internet/computer, misuse of school property, threats of violence/intimidating others, excessive minor infractions and other major infractions as noted by the teacher.

Consequences:

For minor infractions, consequences are given by classroom teachers according to their age-appropriate classroom discipline plans.

For major infractions, students will be given an Elementary Office Discipline Referral (pink slip). Consequences may include, but are not limited to, a warning, time out in the office, loss of privilege, contact parents, conference with student and/or parents, loss of privilege, sent home, detention, in-school suspension, out-of-suspension, or expulsion.

The Head of School or his/her designee may suspend an elementary student from school for just cause and with parent notification.

DETENTION

Administration will assign detention to elementary students in accordance to the elementary discipline policy. Elementary students are given a written assignment to be completed before they are allowed to leave. If a child does not complete the assignment or misbehaves during detention, he/she will be reassigned to detention for the next regularly scheduled detention. After a student receives three (3) detentions in a semester, a conference will be scheduled with the parents.

Detention will be held on campus. Detention may be held during recess, activity class, before/after school, or on Saturday morning. Parents will be contacted when a student is assigned a detention. Students assigned detention receive a form to be signed by the parent and returned to school the following day informing the parent(s) why, when, and where the student has detention. Any student who is assigned a detention must be present for the entire time. Any student who is late to or absent from detention will be suspended beginning on the next possible school day. A student can also be suspended for failure to comply with the rules of participation and conduct during detention.

In the process of serving a detention, the detention supervisor may require the student to engage in work related tasks that may include janitorial duties.

A detention may be excused by the Head of School or his/her designee only in case of extreme family emergency or for sickness documented with a physician's note but must be rescheduled.

IN-SCHOOL SUSPENSION

In school suspension is held in an on-campus site exempt from a classroom setting between 7:30 A.M. and 2:30 P.M. Each ISS student receives a 5-minute restroom break in the morning and in the afternoon, and a 30- minute lunch break at a time other than when his/her grade is at lunch.

While serving an in-school suspension, the supervisor may require the student to complete a learning packet designed to help the student understand why the detention has been enforced with suggested alternative behavior. During a student's removal from the school community, he/she must complete assigned class work activities and/or additional assignments to be determined by the Head of School or his/her designee for the duration of the entire school day. Students are allowed to take previously assigned tests during ISS; tests and graded work may be accepted by the teacher for credit. Students in ISS are marked absent from class but are not counted absent from campus.

AT-HOME SUSPENSION

Short-term suspension from school or a class may be for a period of time from one (1) to five (5) days or more and will be imposed by the Head of School or his/her designee. Long-term suspension may be for an indefinite length of time and is imposed by the Head of School or his/her designee according to the severity of the offense. In the event of a suspension, an immediate email notification will be sent to the parents informing them of the incident. Students who are suspended out-of-school must serve the suspension within 48 hours of receiving the take-home copy of the suspension assignment. A student who is suspended out-of-school for more than one (1) day must be accompanied by a parent/guardian upon his/her return and participate in a conference with the Head of School or his/her designee.

Students who are suspended out-of-school are not allowed to make up tests or receive credit for graded work collected during his/her absence. Students on home suspension are counted absent

from both class and campus. Students suspended out-of-school are not allowed to participate in any extra-curricular activities on the day(s) of suspension nor are suspended students allowed on campus for any reason/activity without administrative approval.

EXPULSION

Any student who has been expelled or forced to withdraw from Central Private School will not be allowed to attend any Central Private School-sponsored event or activity.

STANDARD POLICIES:

Activity/Event Violations

Elementary students are encouraged to attend after-hours events and activities. All rules in the CPS Student Handbook concerning activities and events must be followed by elementary students. Elementary students will receive consequences for violation in accordance to the elementary discipline policy.

Cell Phone/Smart Device Policy

K3-5th grade students are not allowed to have cell phones/smart devices at any time during the school day. Continued willful disobedience of the cell phone policy may result in further consequences.

Computer/Technology Violations

All students and parents are required to read and sign the school's technology use policy before using any Central Private School computer. Failure to abide by the technology use policy will result in loss of computer privileges and may result in other disciplinary measures.

Gum and Candy

Students are NOT allowed to chew gum during school hours. Violators may be disciplined according to the teacher's classroom rules or at the Head of School or his/her designee prerogative. Candy is only permitted when class parties take place.

Unauthorized Areas

An unauthorized area is any location on campus where a student is present without permission or without the direct supervision of a teacher or administrator at any time during the day, including before/after school hours. Any student on campus after school hours will be directed to Aftercare.

Vandalism/Property Damage

School buildings and equipment are expensive to construct, purchase, and maintain. Students who destroy or vandalize school property will be required to pay for losses or damages and may be reported to the appropriate law enforcement agencies. If students willfully destroy school property, suspension and subsequent expulsion may be necessary. If something should be damaged by accident, the damage should be reported to a teacher or administrator immediately.

Every family will be issued two (2) CPS elementary carpool tags. You MUST have the school issued carpool tag in your car to pick up your child. If you do not have your Central Private issued carpool tag, you will be required to show ID before being allowed to pick up your child. This process allows us to make carpool flow efficiently and to ensure that every child is going home with the right person. The safety of our students is always our first priority. Please hang your school issued carpool tag on the passenger visor.

If you need replacement tags or would like to purchase additional tags, please contact the front office. Additional tags will cost \$2 each.

CLASS PARTIES

All class parties are scheduled on or close as possible to the actual holiday. Elementary end-of-the-year parties are scheduled during the last week of school.

Class parties in the elementary grades are for the benefit of the children in each teacher's classroom. Younger and older siblings are not invited to class parties. Parents who do not abide by this policy may be requested by the teacher to leave.

Party foods provided for the children in the class should be appropriate in kind and quantity to the age level. Please check with the teacher concerning any students with food allergies.

FIELD TRIPS

Field trips are provided for teaching and learning experiences; therefore, students are expected to attend. Field trip attendance is limited to the students enrolled in the class, the teacher of the class, and the number of parent chaperones required by the teacher. NO siblings are allowed to attend. If additional parents wish to attend and accompany the class in their own transportation, they must obtain permission of the teacher to avoid violating restrictions placed by the site being visited. Failure to honor this request may result in the school being denied access to the site in the future.

When using bus transportation, all students attending the field trip must ride the bus to and from the destination. Approved chaperones may ride the bus. Parents and students must adhere to the teacher's specific field trip procedures.

Field trip privileges may be lost by individual students. Students who lose field trip privileges will remain at school under the supervision of a teacher and do assigned work on the day of the field trip; the student is not excused from being at school. Failure to comply will result in an unexcused absence with the accompanying consequences.

FULLY POTTY-TRAINED POLICY

Students enrolled in CPS must be fully potty-trained. We realize that accidents will occur occasionally. Accidents by definition are unusual incidents and should only happen infrequently. Fully potty-trained students:

- No longer wear diapers (disposable or cloth) or disposable underwear (pull-ups).
- Can tell the teacher when they need to go to the bathroom.
- Can attend to their own hygiene.
- Has less than two accidents in a two-week period

GRIEVANCES

In circumstances where there is a disagreement between parents, students and staff, please adhere to the guidelines listed below.

- Seek to resolve the situation with the teacher first. He/she should be your first line of communication. Keep those lines open and friendly. Email, call, or schedule a conference to discuss your concerns with the teacher.
- If the situation cannot be resolved with the teacher, contact the elementary coordinator.
- If the situation is not resolved satisfactorily with the elementary coordinator and the teacher, contact the Head of School.
- If the situation is not resolved satisfactorily with the Head of School, submit a written request to the Board.

Lockers should be kept neat and free from trash or partially consumed food at all times. At no time should any personal items—book sacks, jackets, books, etc.—be on the hall floor. NO rolling book sacks are allowed.

READINESS POLICY (PreKindergarten)

CP's K3 and K4 classes are designed to prepare students for kindergarten. To ensure a student receives the benefits of this preparation and has a positive experience at CP, the K3/K4 student must be ready to function in a school setting. A child is ready to attend CP if he/she can:

- Follow verbal directions

- Parental visits are not allowed during the school day except for special events or with prior approval from the elementary coordinator. Lunchtime visits must be limited to one per nine weeks and must be approved by the elementary coordinator in advance.
- Parents should keep office visits brief. Office personnel handle confidential documents, conversations, and phone calls. Loitering interferes with daily business affairs that take place in the office. For confidentiality purposes, an extended visit with the office personnel is prohibited.

WITHDRAWAL OF STUDENT/TRANSFER OF RECORDS

If a student transfers from CPS to another school or decides to drop out of school for any reason, he/she MUST first report to the Head of School's office.

All supplies, materials, and textbooks must be returned, and all financial obligations satisfied before school records will be released. Written requests for school records must be received from the school the student will be attending before school records are released. School records are mailed by CPS directly to the school the student will be attending. A clearance slip must be obtained from the main office to be initialized by all teachers as textbooks, etc., are turned in. The initialed clearance slip is then returned to the Finance Office.

This concludes the Elementary Section.

Admissions

PROCEDURES

Admissions applications and tuition information are available on the Admissions section of the school website, www.centralprivate.org, or through the Admissions Department, 225.261.3341.

CRITERIA

- Central Private does not accept students for admission who are currently under expulsion from any other school.
- Central Private does not accept students in need of credit recovery. Students must maintain a 2.0 to remain eligible. Students who do not maintain a 2.0 or higher will be placed on academic probation.

PROBATIONARY ENROLLMENT

A student's enrollment will be considered probationary for any of the following reasons:

- Outstanding balance on the student's financial account.
- Attendance of summer school due to failure of math, reading, or language art
- A student receiving required tutoring over the summer or during the school year for academic concerns.
- Disciplinary problems from the previous school year.
- Habitual tardiness or absences.

RE-ADMISSION

A formerly enrolled student who chooses to withdraw from CPS must reapply following normal admissions procedures of the school and be in good standing with the finance office.

FOREIGN EXCHANGE STUDENTS

Admissions applications and tuition information for foreign exchange students are available through the Admissions Department, 225.261.3341.

The admissions committee will work closely with the foreign exchange agency to ensure CPS is a proper placement for the student and is an environment conducive to his/her academic, social, and personal needs.

Academics

Each student has different academic abilities, talents, and education needs. For this reason, CPS offers a curriculum based on the following 4 broad categories:

1. College Preparatory courses- For all students
2. Honors Track courses- For students with above average ability, capable of taking a challenging academic schedule
3. Dual Enrollment courses- For students who meet the State of Louisiana criteria for dual enrollment. The cost of the course/materials/laptop is the responsibility of the student.
4. Advance Placement courses – as determined by the college board.

Placement in the appropriate course for optimum educational results is important for all students.

- Freshman, sophomores, juniors, and seniors are placed in various courses based on personal interests, goals, educational proficiencies in the subject area, TOPS requirements and teacher recommendation.
- Placement in Honors Track or DE courses is subject to student qualifications and teacher recommendations.

TRANSCRIPTS

An official transcript of credits will be sent by CPS to any other secondary school or college/university when requested by a student to the administration. Final high school transcripts will be uploaded to the Student Transcript System with the Louisiana Department of Education. All public colleges and universities in Louisiana have access to STS. Any private college or university will need an official transcript sent from CPS at the request of the student.

SCHEDULING

- Course requests are completed by the student and the parent in conjunction with the guidance of the school counselor. The course selection form is considered a commitment on the part of the students to take classes they need to complete their graduation requirements. Selections are made for the entire academic school year.
- Once a course selection form has been completed by the student, changes may be made during the week before school starts with a parent signed permission slip only. Dates for grade specific days to make changes will be made available on Facts (formerly RenWeb) calendar.
- The minimum number of classes taken per year in 7th- 11th grade is seven. Students in 12th grade are required to schedule a minimum of five classes.

ELECTRONIC GRADEBOOK

CPS uses an electronic grade book program called FACTS (formerly RenWeb) which teachers update on a regular basis. Parents/guardians can access such information on their own child using Family Portal (formerly ParentsWeb). Family Portal gives a parent/guardian access to their student(s) grades, attendance records, class assignments, and teachers' email addresses.

To activate your Family Portal account:

- Go to the school website, www.centralprivate.org.
- Go to “Parent Resource” tab at the top of the page, select “Parent Portal” from the drop-down menu, and click on the “Parents Web Login” or click on the  icon at the top of the page. Both will take you to Family Portal Login.
- The District Code (CPS-LA) will automatically be displayed.
- Enter your Username. (Each person’s email address given upon school enrollment.)
- Password = the same password you used last year

IF YOU ARE A NEW USER or if you don’t remember your password, click on the “Forgot Password” link. You will see a new screen that requires re-entering your email address and a button labeled “Reset Password.” Follow the instructions to receive a password to the email address you provide.

GRADING AND STUDENT PROGRESS

Grading periods for Elementary, Middle school and High school are posted on the Family Portal calendar at the beginning of the school year. Please refer to calendar for specific dates on 9 weeks progress reports and report card mailing dates.

Progress Reports: Grades are posted and updated weekly through Facts (formerly RenWeb). Both parents and students are encouraged to check these reports often. Progress Reports are issued/posted at the midpoint of each semester and dates can be found on the school calendar on our website.

Report Cards: Report Cards are mailed at the end of each semester. This is an official grade report which may be kept for your records.

The grading scale at Central Private School is:

| <u>Letter Grade</u> | <u>Percent Range</u> | <u>Quality Point</u> | <u>Explanation</u> |
|---------------------|----------------------|----------------------|-----------------------------------|
| A | 100-93 | 4 | Excellence and mastery of subject |
| B | 92-85 | 3 | Above average achievement |
| C | 84-77 | 2 | Average achievement |
| D | 76-70 | 1 | Below average achievement |
| F | 69-0 | 0 | Indicates failure (0 credit) |

Grades are determined by using points to evaluate all work. These points are then converted to percentages by the following formula:

Points Earned divided by Points Possible equals Percentage Grade

$$\frac{\text{Points Earned}}{\text{Points Possible}} = \% \text{ Percentage Grade}$$

Examples: 80/100 = 80% 75/75 = 100% 50/60 = 83% 38/40 = 95%

GRADE POINT AVERAGE

The cumulative Grade Point Average (GPA) is determined by semester letter grades. The result is the student's Grade Point Average. To calculate a GPA, add up the quality points according to the letter grade a student has currently earned then divide by the number of credits.

| | | |
|---------------------|---|------|
| For example: | | |
| Algebra I | B | 3 QP |
| Art I | A | 4 QP |
| English I | A | 4 QP |
| Health & PE I | A | 4 QP |
| Physical Science | A | 4 QP |
| Spanish I | C | 2 QP |
| World Geography | B | 3 QP |

$$\frac{\text{Total Quality Points}}{\text{\# of credits}} = \frac{24}{7} = 3.4 \text{ GPA}$$

NOTE: Students who receive a passing grade (P) in a course will receive credit; however, it is not calculated towards his or her GPA.

GRADE CLASSIFICATION

Students must earn the required number of credits to be considered enrolled in the following grade levels:

| <u>Grade</u> | <u>Credits</u> |
|--------------|----------------|
| 9 | 0-4.5 |
| 10 | 5-9.5 |
| 11 | 10-15.5 |
| 12 | 16 or more |

HONOR ROLL

Honor Roll recipients (6th-12th) are determined using the grades from the end of the 1st semester AND the grades from the 4th nine weeks at the point no further grades are taken for the nine weeks. Parents will be notified of the cutoff date for end of year honor roll. Students with a GPA of 4.0 (all A's) will qualify for the "A" Honor Roll. Students with a GPA of 3.0 to 3.9 (A's/B's) will qualify for the "A/B" Honor Roll. Students with a "C" grade in any class are not eligible for honor roll recognition. Honor Roll recognition is given at our annual award's day program.

ACADEMIC ELIGIBILITY

Academic Letter Jacket

- An academic letter jacket may be earned by any student in the tenth through twelfth grades who has earned a 3.5 GPA each semester for three (3) consecutive semesters while attending Central Private School.
- An additional three (3) consecutive semesters of at least a 3.5 GPA will earn the student an academic scholar patch to be affixed to the jacket.
- A graduating senior must have met the above eligibility prior to the start of the fourth nine-week period. A scholar-athlete who has already earned an athletic letter jacket will receive an academic scholar patch in lieu of an academic jacket.
- For athletic letter jacket eligibility, see “Athletics” section of this Handbook.

FAILURES

Grades 6-8

Students in grades 6-8 will receive first and second semester grades. For a student to pass successfully to the next grade, he/she must pass nine out of twelve semester grades, excluding enrichment. If a student receives nine or more passing semester grades, but fails both semesters of English, mathematics, science, or social studies, that course must be repeated successfully through credit recovery before the student will be allowed to pass to the next grade level.

Middle School Enrichment classes will receive a “P” or “F” (passing/failing grade). This grade will be excluded from consideration for Honor Roll or academic/athletic probation.

Grades 9-12

If a student’s final grade is an “F” at the end of a semester for a course required for graduation, the student is required to adhere to a credit recovery plan developed by the counselor and approved by the Head of School. Any failure will be included in the student’s GPA.

NOTE: Credit recovery is considered an additional semester and the grades DO NOT cancel or replace an “F” earned during the regular school year. Both the “F” and the passing grade are included in the GPA and appear on the student’s transcript. No class may be repeated where a student has received a “C” or higher grade.

ACADEMIC PROBATION

The academic/activity standard is: **2.0 GPA and/or no more than one (1) F.**

Grades are evaluated at each nine-week period. Any student who falls below a 2.0 GPA and/or has earned more than one failing grade at the end of a nine-week grading period is placed on academic probation until the following nine week grading period. A letter advising of the student’s status will be mailed home. Students and parents must meet with the Head of School and/or counselor following the probation letter to establish a plan for student achievement. The Head of School may assign the student for tutoring. If goals are not achieved the student may not be allowed to enroll at Central Private the following school year.

EXAMS (6th-12th)

Exam days are listed on the school calendar and are available from the beginning of a school year. Parents/students should consult the exam schedule before making holiday or summer break plans. Exams are to be taken at the scheduled time. Emergency situations regarding exams are to be brought to the attention of the administration.

Rescheduling of exams will be subject to the approval of the Head of School and teacher of course.

Exams are kept available for two (2) weeks after the semester's end. Any questions concerning the exam or final grade should be addressed within that time.

All financial obligations must be current, including library fines and cafeteria accounts, and all library books returned before a student will be allowed to receive semester exam grades or semester report cards.

EXAM EXEMPTIONS (9th-12th)

Students in grades 9th-12th who have maintained an "A" average, per semester, in a class, and have no at-home suspensions for the year, may be exempt from their final exams only (midterm exams must be taken by all students for all full-year classes). Exemptions will be determined by teachers and approved by administration.

DUAL ENROLLMENT

Students interested in taking dual enrollment courses should see the guidance department for the current dual enrollment policy and guidelines.

HONORS PROGRAM

Honors courses will be available in certain subjects. With the approval of the administration, departments offering honors courses will establish course requirements that students will need to meet to receive the Honors distinction.

Teacher recommended, qualified students will have the option to take honors courses. However, to successfully complete the Honors Program, to be considered an Honors Graduate, a student must complete ALL of the following:

- Successfully complete all graduation requirements as set forth by the Louisiana Tops University curriculum from the Louisiana Department of Education
- Earn a final cumulative grade point average of 3.5 or higher
- No semester grade lower than a "C" in any course
- Completion of at least 8 Honors core courses from the following:
 - ENGLISH
 - MATHEMATICS
 - SCIENCE
 - SOCIAL STUDIES

Honors courses will be graded on the following weighted quality point grading scale: A=5, B=4, C=3, D=2, F=0. (Non-honors classes shall use the following non-weighted grading scale: A=4, B=3, C=2, D=1, F=0.)

Other considerations: In the event CPS offers Advanced Placement/Dual Enrollment courses, these courses will be considered Honors courses and will count towards a student earning Honors course credit.

The administration may add courses to, or remove courses from, the Honors Program. Any addition or removal of a course must be announced, but credit will not be taken from students who completed courses that were considered honors classes at the time the students were enrolled. Once a student receives honors credit for a certain course, the honors credit remains even if the course is later removed from the Honors Program.

ADDITIONAL GPA/CREDIT INFORMATION

High school credit earned in 8th grade from other schools will be listed as a “P” or “F” on the transcript. Students attending junior high at Central Private may receive academic credit for certain designated classes taken, and those classes will count toward the student’s established GPA. A student’s GPA is established at the end of the first semester of 9th grade.

A student must receive permission from the administration to pursue credit from any outside source, including correspondence school, summer school, or online coursework. Courses completed online or through correspondence shall be considered non-weighted and shall use the non-honors grading point scale.

MAKE-UP WORK

When a student misses class/school, he/she may access homework assignments from Family Portal (formerly ParentsWeb). For extended absences, parents may call the respective office and request to pick up school work. Make-up work for full credit is permitted only for excused absences. Immediately upon return from an absence, the student must arrange with the instructors to complete the work. For excused absences students have one (1) day for each day missed to make-up all work and tests. Additional time may be allowed for extended absences. Make-up work for unexcused absences is at the discretion of the teacher.

TUTORING

Central Private allows its faculty to tutor CPS students using CPS facilities and equipment during non-school hours. Non-school time is defined as those times that include before school, after school, during the summer, etc. A preparation period is considered part of a teacher’s day and therefore paid tutoring would be prohibited during a preparation period or between the expected hours of employment as stated in the handbook, i.e. 7:00am until 3:00pm. Teachers are free to negotiate a rate with students and parents for this service during off-school hours.

In general, a teacher who has a student in the class that he/she is presently teaching should not be charging the student enrolled in the tutor’s class for tutoring services as this practice could be construed a conflict of interest. An exception to this rule could be made by the Head of School if the teacher providing the tutoring is the only available qualified tutor as determined by the administration. An example of this may be a foreign language teacher if that teacher is the only person available who is qualified to provide the said tutoring service.

Seniors & Graduation

TWELFTH GRADE EARLY DISMISSAL

Seniors who enter senior year with a GPA of 2.5 or higher will be eligible for early dismissal after 5th hour. Seniors who do not qualify for early dismissal will be assigned to classes that will help improve their core GPA as determined by TOPS.

SENIOR FINAL EXAMS

Senior final exams will be given during regularly scheduled class times. Seniors will report to school for exams only and will be expected to leave campus immediately thereafter. During exams, seniors do not have to follow established check out procedures. Seniors must wear their school uniforms during final exams.

GRADUATION AWARDS

Central Private offers numerous graduation awards and scholarships for seniors. Specific criteria and information for current awards and scholarships may be obtained through our guidance department or found on our website ([graduation awards](#)).

GRADUATION REQUIREMENTS

For any Central Private School student to participate in graduation exercises, he/she must meet the minimum requirements for graduation as set forth by the Louisiana State Department of Education. Central Private School will not accept the G.E.D. test as meeting the requirements to receive a CPS diploma or participate in graduation ceremonies. Students who do not meet the minimum graduation credit requirements by the time of graduation must plan to attend a state-certified summer school, or an approved online or correspondence course to earn needed credit in specific course(s).

Any senior enrolled in an online or correspondence course during the school year must have a final grade transcript submitted to the school counselor no later than May 1st. No exceptions will be made.

Only seniors who have met all graduation requirements may participate in the ceremony. An exception may be made for a foreign exchange student who may be given a certificate of attendance.

Seniors are required to participate in all graduation ceremonies which include Baccalaureate, Graduation Rehearsal, and the Graduation Ceremony.

It is the policy of Central Private that all financial obligations to the school must be kept current in order for the student to continue at Central Private and/or documents to be released. No senior will be allowed to take exams or to participate in any graduation ceremonies until all financial commitments have been settled. In addition, no transcripts or other student records will be transmitted to educational institutions, prospective employers, or other third parties until all financial commitments have been settled at CPS.

Central Private School works in accordance with the Louisiana Department of Education graduation requirements as well as requirements for the Taylor Opportunity Program for Students (TOPS). For the TOPS Core Curriculum and scholarship information see <http://www.osfa.la.gov/>.

Counseling

SERVICES

The mission of the Counseling Department is to facilitate the growth and development of the student population in the areas of academic progress, college and career planning, and personal and social growth. Topics of discussion may include, but are not limited to: study skills, learning styles, learning disabilities, college and career prospects, communication, conflict resolution, grief and loss, anxiety, disciplinary issues, self-esteem, and friendship and family issues.

APPOINTMENTS

A student must request an appointment with the counselor by a verbal or written request. Students must have the permission of their classroom teacher to see the counselor. An emergency situation (a student is a threat to himself/herself or someone else, personal crisis such as illness or death in the family) does not warrant a formal request. All students are encouraged to visit the counselor's office to discuss areas of concern. The counselor will meet with all students in the manner of individual sessions, small group sessions and/or classroom visits. The signing of the handbook acknowledgment form gives permission for the counselor to meet with a student as well as refer any student experiencing issues to counseling outside of the school setting.

PARENT/TEACHER CONFERENCES

A parent/guardian may request a conference with the counselor to discuss their student's personal needs or concerns. A conference to discuss academically related issues may include the presence of the student's teacher(s) and/or administrator.

CLASSROOM ACCOMMODATIONS

Minor classroom accommodations may be utilized to meet the needs of individual students. Any parent/guardian who is interested in their student receiving classroom accommodations for a student with a learning issue or a documented special need should contact the guidance counselor for more information. Documentation must be on file with the school guidance counselor before an accommodation is granted. CPS reserves the right to make the final determination if CPS will be able to effectively provide or meet the physical, academic, social, and emotional needs or services of a student.

STANDARDIZED TESTING

Standardized tests given at CPS include the ACT ASPIRE (formerly titled the ACT EXPLORE, PLAN), PSAT, OLSAT and STANFORD-10 tests. Interpretation of scores is provided for both parents and students. ACT and SAT testing information is available through the counseling department.

Athletics

To participate in athletics or spirit groups, a student must meet the eligibility requirements of academics, attendance, and enrollment.

ELIGIBILITY

13. Bodily contact will not be permitted between students on campus, school bus trips, field trips, or while in attendance at any school-related activity.

ATHLETIC EVENT CONDUCT- NON-STUDENT ATTENDEES

Persons exhibiting inappropriate behavior will be asked to leave the premises and may be asked not to return for the remainder of the year.

Attendance

Central Private School adheres to the all Louisiana attendance laws including Louisiana State Department of Education's Bulletin 741 for nonpublic schools. (Louisiana RS 17:221 and Bulletin 741 (Nonpublic))

To be eligible to receive grades, middle school/high school students shall be in attendance a minimum of 80 days per course each semester.

ABSENCES

High school/Middle School students are excused from compulsory attendance for ten (10) days per semester. This includes both excused and unexcused absences. Students who exceed this attendance requirement will be reported to the proper authorities.

Excused Absences (Louisiana Revised Statutes 17:226):

- Children who are personally ill and whose attendance in school would endanger their own health or that of their classmates
- Children in whose families there is serious illness which would reasonably necessitate the absence from school...if the illness is substantiated in writing by a physician licensed to practice in the state;
- Children in whose immediate family a death has occurred, such absence not to exceed one week because of and at the time of such death; and
- Children whose religious faith requires absence for the observance of special and recognized holidays of the child's own faith.

Procedure to report back to school following an absence:

- Students returning to school after a day's absence for any reason **MUST** present a signed note from a parent or legal guardian stating the reason for the absence. However, a note from a parent does **NOT** necessarily mean that an absence is excused; it is only an explanation for the absence that allows the student back into school.
- An excused absence will only be granted in accordance to the LA DOE Bulletin 741. The administration will determine if the absence meets the criteria for an excused absence according to LA DOE Bulletin 741.
- A doctor note or excuse for funeral/religious absence must be turned in within 48- (forty-eight) hours of the student returning to school.
- **EXCUSED** absences will not be granted after the 48-hour period.

Note: Procedures for making up tests/work missed during an excused absence are outlined in the "Academics" section of this Handbook.

ABSENCES FOR EXTRA-CURRICULAR ACTIVITIES

Extra-curricular activity participants and athletic participants must attend school for at least four (4) periods of the school day of the activity/event, or have administrative approval.

IMPORTANT: A student must be fever, vomit and/or diarrhea free for a minimum of 24 hours before returning to school. A student who is diagnosed with a contagious illness or condition must be cleared by an official doctor's note to return to school.

TARDY POLICY

All tardies and early check-outs are counted against a student's attendance record. To receive perfect attendance, a student must be in attendance the correct time, from the first morning bell until the afternoon dismissal bell. Excessive tardiness (4 or more per semester) to school will result in consequences to the student. Please refer to discipline guidelines for consequences for specific grades.

- A student is tardy to school if he/she arrives after 7:30 AM. Students must report to office to check in before going to class. Students will not be allowed in class without a check in slip from office. Thirty minutes late means that the student is "absent" from 1st hour which will have a direct effect on a student's receiving credit in that subject. When a student has missed ten (10) classes in any 1 subject, his/her "credit" in that subject is in jeopardy of being removed automatically for the semester in which the absences occur regardless of the grade.
- An explanatory note from the parent/guardian is necessary. The school administration will refer to state guidelines in determining whether tardiness is excused or unexcused.
- Students who check in late on the day of a previously scheduled test or assignment will take the test /submit the work due immediately after checking in and before attending the remaining classes of the day.

Tardy to Class

Students in grades 7-12 are allowed four (4) minutes between class periods. Students must report to class before the tardy bell rings at the start of each class period. Tardies to class are recorded by the teacher of each subject. Rarely will a tardy to class be excused by the teacher. Admit slips are not issued by the office for students who are tardy for class except when they are late arriving at school. Please see our Discipline policy in reference to excessive tardies.

CHECKING OUT OF SCHOOL

- Once a student arrives on campus, even if it is before 7:30 A.M., he/she MUST sign out through the school office before leaving campus. Violating this procedure is a violation of the school's sign out procedure, and the student is subject to disciplinary action.
- Students who leave campus before the end of the school day must be signed out by a parent, guardian, or person authorized by the parent to do so.
- In effort to lessen class disruptions and make our classrooms more conducive to learning, the following procedure must be followed to check out a student in grades 6-12:
 - The student who needs to check out must report to the school office.
 - A call will be placed to the parent to obtain verbal permission for the student to check out.
 - Notes from the parent are not accepted as permission to check out.
 - Parents must call the High School office and give verbal permission for student to check out for medical appointments.
 - Students may check out only between class periods, at break, or at lunch to minimize class disruptions.
 - Class work missed resulting in signing out is the student's responsibility.
 - Extra-curricular activity participants and athletic participants must attend school for the full day of the activity/event.

PLEASE NOTE: If medical appointments must be made during the school day, please schedule the checkout time to coincide with the period between classes, the student's break or lunch. Students will not be allowed to check out during a class period unless he/she is clearly ill, such as fever, vomiting, fainting, etc.

Any student who wishes to check-out, who must be picked up by a parent/guardian, must report to the main office to contact the parent. After reporting, the student must return to class and wait to be called back to the office when the parent/guardian arrives. If the student does not return to class, the absence from class will be considered an unauthorized absence from class and the student will be subject to disciplinary action.

PERFECT ATTENDANCE

Perfect attendance is an award given only to those students who attend school every day from the beginning until the close of the scheduled school day. The only exceptions will be the student's involvement in school- approved activities, or a death in the immediate family. Tardies and early check outs (excused or unexcused) are counted against the student's attendance record. In-School-Suspension is not considered an absence from the school campus.

TRUANCY

No student may miss a class, part of a class, or leave campus without permission from the classroom instructor and prior acknowledgement from the main office. Students must have parental permission and appropriately sign out in their respective office. A student who is inappropriately missing from class, part of a class, or leaves the premises without permission is considered in violation of school policy. In addition, any student with excessive or unexcused absences is also in violation of school policy. The parent/guardian will be notified and disciplinary action will be taken.

FIELD TRIPS

Field trips are provided for teaching and learning experiences; therefore, students are expected to attend unless they are absent for one of the reasons allowed under Louisiana Attendance Law. A student who is kept home for reasons other than those outlined by law will be marked absent-unexcused. Field trip privileges may be lost by individual students due to disciplinary action. Students who lose field trip privileges will remain at school under the supervision of a teacher and do assigned work on the day of the field trip; the student is not excused from being at school. Failure to comply will result in an unexcused absence with the accompanying consequences.

NOTE: Field trip attendance is limited to the students enrolled in the class, the teacher of the class, and the number of parent chaperones required by the teacher. If additional parents wish to attend and accompany the class in their own transportation, they must obtain permission of the teacher to avoid violating restrictions placed by the site being visited. Failure to honor this request may result in the school being denied access to the site in the future.

Students may not drive themselves to any off-campus event unless prior approval is given by the Head of School.

Dress Code

The purpose of the dress code is to encourage students to dress decently and be a positive representative of themselves and their home, as well as Central Private School. The uniform also provides a safety factor for our students and will not allow strangers to come onto our campus unnoticed.

DAILY DRESS CODE

- Only the approved daily uniform items may be worn as part of the daily uniform.
- All students attending CPS will conform to the daily uniform dress code except when notified in advance; then, they must follow the dress code for non-uniform occasions such as \$1.00 Dress or Spirit Dress Days.
- Uniforms must be purchased from an approved vendor and may not be altered in any fashion except to ensure proper fit.
- All accessories worn must be compatible with uniform colors and non-distracting or disruptive.
- T-shirts and other undergarments worn under the uniform shirt or approved spirit shirts must be solid white with no visible writing or graphic design. Thermal tops and/or bottoms are not permitted to be worn under shorts or under short sleeve shirts.
- Shoes must be worn at all times. Hats, caps, knit hats, and gloves are not allowed inside the building.
- Sunglasses may not be worn.
- NO hooded sweatshirts are permitted to be worn on campus during the school day for any reason.
- All shirttails must be tucked in at all times.
- Skirts may be worn for religious reasons through arrangement with the Head of School or his/her designee prior to the beginning of school.
- Students are required to wear the uniform for all field trips or activities unless prior approval to the contrary is gained by the teacher/sponsor from the Head of School or his/her designee because of the specific activities involved.
- Students who enroll at CPS after the beginning of the school year must purchase uniforms within a ten (10) day period or bring a note from the vendor stating the reason the student cannot conform to the uniform dress code within that time frame.
- The uniform dress code applies to each student from the time he/she enters the CPS campus until he/she leaves the CPS campus, including to and from the parking lots and carpool drop off/pickup areas.

DRESS CODE FOR APPROVED NON-UNIFORM OCCASIONS

The primary guidelines to be followed for approved non-uniform occasions are cleanliness, neatness, modesty, and style. If the style of dress or the appearance is disruptive to the educational process or constitutes a clear threat to the safety and/or health of the student, it shall not be permitted at school.

On non-uniform occasions, uniforms do not have to be worn but all students are expected to be clean, neat, and to take reasonable pride in their appearance. Styles of dress that are extreme or test the limits of modesty are not allowed. Clothing that includes profanity, promotes the use of alcohol or tobacco, is derogatory to any class or category of people, or promotes political opinion is prohibited. Specific guidelines for approved non-uniform occasions include, but are not limited to, the following:

- Neat, clean clothes of a conventional, decent, modest style. Clothing or other articles bearing slogans or pictures promoting drugs, alcohol, tobacco, sex, profanity, obscenity, or any article that might cause disruption of the educational process are prohibited.
- Tank tops, spaghetti-strap, racer-back, backless clothing, or clothing that exposes the midsection or bare shoulder are not to be worn. Clothing with holes, tears, ravel, and patches are not to be worn.
- Shorts ARE NOT permitted unless they are CPS uniform shorts. Split skirts should appear to be skirts and extend to the knee or below.
- Shoes must be worn at all times. No flip-flops, slippers, sandals, clogs, mules, high wedge/heel shoes, or rubber boots of any kind can be worn.
- No Sunglasses, hats, caps, knit hats or hoods may be worn in the building. Accessories of any kind that are disruptive to the educational process are prohibited.

In addition to the guidelines above, the following apply to specific occasions:

Dollar Dress Days

- Students may wear jeans (NO holes, tears, ravel, and/or patches) or uniform pants/shorts.

Spirit Dress Days

- Students may wear jeans (NO holes, tears, ravel, and/or patches) or uniform pants/shorts with a spirit tee-shirt.
- If a student chooses to wear Spirit Dress, he/she may wear any tee-shirt/sweatshirt that carries a CP designation. The tee-shirt/sweatshirt may be an athletic/spirit team shirt, a CP club shirt, a CP event shirt, or a CP Athletic Club Spirit shirt.

Homecoming Week

- Students may dress in the designated theme for the day OR they must be in daily uniform.
- The general grooming codes (Spirit Dress, Non-Uniform) are NOT set aside for Homecoming Week; however, some specific guidelines may be set aside for the day, such as hats, socks, or shoes, with the prior approval of the Head of School.

For an event not covered above, the dress code will be determined at the discretion of the activity sponsor and approved by the Head of School.

GROOMING CODE

The school administration shall be the final interpreter of the grooming code and dress code, uniform and non-uniform.

A general guideline for both male and female students is that if the grooming is distracting, disruptive, or outlandish, it will be prohibited.

Hair

- No facial hair is permitted. Students are expected to be clean-shaven at all times. Male students who report to school unshaven will receive a disciplinary consequence.
- Male students' hair shall be of moderate length, i.e. above the ear lobe, not past the top of the collar in the back, entire eye visible when the hair is in normal position without use of clips, bands, or other devices to hold hair in place, i.e. hair may not extend below eyebrows when combed forward.
- Hair shall be clean and neat at all times.
- Extreme haircuts, e.g. off-color dying, carving, etc., are not acceptable for males or females.

Jewelry/Body Art

- Male students are not permitted to wear earrings. Body piercings must not be visible at any time on the CPS campus or at a school-sponsored function off-campus. Suspension or expulsion may result.
- Female students may wear earrings (must be conservative and appropriate) as long as they are not distracting. Other types of jewelry should be limited in size and quantity to avoid creating distraction or disruption. Body piercings must not be visible (belly rings, tongue rings, etc.) at any time on the CPS campus or at a school-sponsored function off-campus.
- No visible body piercing and/or body art (tattoos) are permitted whatsoever.

DRESS CODE/GROOMING CODE VIOLATIONS

Parents will be called to bring proper attire for most dress code violations. However, minor violations, such as having no belt or unapproved outerwear, will receive a written warning that must be signed by a parent. Disciplinary actions will be taken for repeated warnings.

The Head of School or his/her designee shall be the final interpreter of the dress code and grooming code.

Discipline

CPS PHILOSOPHY

For learning to take place we must maintain an environment which is conducive for learning. Our goal is for our students to develop self-discipline. When our students do not exercise self-discipline, violate school rules and policies and/or disrupt the education of others, the Head of School or his/her designee will address the infraction on an individual basis according to his/her discretion.

GUIDELINES

The discipline program established at Central Private School has as its objectives:

- To establish and maintain favorable study conditions free from distraction and misbehavior.
- To establish and maintain respect for authority within the school.
- To develop, on the part of the student, ideals, interest, habits and skills that make for self-government and good citizenship.

All students must show respect for all members of the CPS administration, staff, faculty, aides, and substitute teachers at all times. Acts of disrespect will not be tolerated.

All students are to conduct themselves in an appropriate manner at all school-sponsored activities (home and/or away functions). Failure to do so will result in the student losing his/her privilege to attend such functions. Any student who starts or participates in any unauthorized disruption or disorderly protest will be suspended from school immediately.

Middle and high school faculty are expected to handle routine classroom discipline in accordance with an approved plan of rules for their individual classrooms. Classroom rules and penalties should be included in the course syllabus and made available to students and parents on the first day of school. Faculty members are expected to refer students whose infractions merit detention or more severe consequences, in accordance with the discipline level violations chart.

All discipline decisions will be handled by the Head of School or his/her designee.

Behavior which is considered inappropriate and the corresponding disciplinary action for each behavior are as outlined in the following table.

NOTE: Discipline consequences can be adjusted by the Head of School at his/her discretion. Any situation/incident not covered in Levels 1-4 will be handled on an individual basis by the Head of School or his/her designee at his/her discretion.

DETENTION

Administration will assign detention to middle and high school students as needed in accordance to the discipline policy. Detention may be held at school during break, lunch, and/or a PE hour, after school, or on a Saturday morning. Parents will be emailed immediately when a student is written up to serve detention. Students assigned detention receive a form, to be signed by the parent and returned to school the following day, informing the parent why and when the student has detention. Any student who is assigned a detention must be present for the entire time. Any student who is late to or absent from detention will be suspended beginning on the next possible school day. A student can also be suspended for failure to comply with the rules of participation and conduct during detention. A detention may be excused by the Head of School or his/her designee only in case of extreme family emergency or for sickness documented with a physician's note, but must be rescheduled.

Middle and high school students are given work to complete during detention. This may include written work and/or janitorial and maintenance tasks.

IN-SCHOOL SUSPENSION

In school suspension is held in an on-campus site exempt from a classroom setting between 7:30 A.M. and 2:45 P.M. Each ISS student receives a 5-minute restroom break in the morning and in the afternoon and a 30-minute lunch break at a time other than when his/her grade is at lunch.

While serving an in-school suspension, the supervisor may require the student to complete written work designed to help the student understand why the detention has been enforced with suggested alternative behavior.

During a student's removal from the school community, he/she must complete assignments to be determined by the Head of School or his/her designee for the duration of the entire school day. Students are allowed to take previously assigned tests during ISS. Tests and graded work may be accepted by the teacher for credit. Students in ISS are marked absent from class but are not counted absent from campus.

AT-HOME SUSPENSION

Short-term suspension from school or a class may be for a period from one (1) to five (5) days or more and will be imposed by the Head of School. Long-term suspension may be for an indefinite length of time and is imposed by the Head of School according to the severity of the offense. In the event of a suspension, an immediate email notification will be sent to the parents informing them of the incident. Students who are suspended out-of-school must serve the suspension within 48 hours of receiving the take-home copy of the suspension assignment. A student who is suspended out-of-school for more than two (2) days must be accompanied by a parent/guardian upon his/her return and participate in a conference with the Head of School or his/her designee.

Students who are suspended out-of-school for one (1) or two (2) days may receive 50% credit for tests and graded work collected during his/her absence. Students who are suspended out-of-school for three (3) or more days are not allowed to make up tests or receive credit for graded work collected during his/her absence. Students on home suspension are counted absent from both class and campus.

Students suspended out-of-school are not allowed to participate in any extra-curricular activities on the day(s) of suspension nor are suspended students allowed on campus for any reason/activity without administrative approval.

EXPULSION

Any student who has been expelled or forced to withdraw from Central Private School will not be allowed to attend any Central Private School-sponsored event or activity.

CELL PHONE/SMART DEVICE POLICY

Middle school (6-8) students are to immediately put their cell phones in the designated box as they arrive at school, and these will be stored in a locked area. Phones will be released when the school day is over. If students are caught with their cell phones during the day, they will be written up.

High school (9-12) students will be allowed to use phones/smart devices before 7:30 am, during morning break and during students assigned lunch period. Upon entering a classroom during normal school hours, all students must place their cell phone/smart device on silent mode and in the designated container located at the front of the classroom. Cell phones/smart devices are to remain in the container until the students are either permitted to remove them by the classroom teacher (for specific teaching purposes), or class has ended and they are exiting the classroom. Cell phone/smart device use during any other time is prohibited.

Students who violate this policy will have phones/devices confiscated with the following consequences:

- 1st offense** – Cell phone/smart device is kept in Main Office till end of day. In addition, student will turn phone/smart device into office the next day for full school day. Parent notified.
- 2nd offense** – Cell phone/smart device is kept in the office till end of day and student will serve detention. Parent notified.
- 3rd offense** – Suspension.

Continued willful disobedience of the cell phone/smart device policy may result in further consequences.

Cell phones/smart devices include, but are not limited to, mobile phones, tablets, iPods, laptops, and smart watches.

COMPUTER/TECHNOLOGY VIOLATIONS

All students are required to read and sign the school's technology use policy before using any Central Private School computer. Failure to abide by the technology use policy will result in loss of computer privileges and may result in other disciplinary measures.

UNAUTHORIZED AREAS

An unauthorized area is any location on campus where a student is present without permission or without the direct supervision of a teacher or administrator at any time during the day, including before/after school hours. Any student on campus after school hours will be directed to Aftercare.

VANDALISM/PROPERTY DAMAGE

School buildings and equipment are expensive to construct, purchase, and maintain. Students who destroy or vandalize school property will be required to pay for losses or damages and may be reported to the appropriate law enforcement agencies. If students willfully destroy school property, suspension and subsequent expulsion may be necessary. If something should be damaged by accident, the damage should be reported to a teacher or administrator immediately.

GUM /CANDY/FOOD

NO food, gum, drinks, cups or gallon jugs will be allowed during school hours. Students may only eat or drink during specified break/lunch times. Class projects/parties that require food items will be the only exception.

Awards Day

The Awards Day program recognizes student achievement and academic excellence during the school year. Separate programs are held for elementary and middle school/high school grade levels. Parents and family members are encouraged to attend and will be notified if their student(s) is receiving recognition.

Among the Middle and High School awards presented are:

School Dances

DANCES

We believe that the majority of our students are cooperative and law abiding, and their behavior at school dances is appropriate and safe. However, for the small number of students and/or their dates who are intent on jeopardizing the well-being and safety of everyone else, it has become necessary to include the following guidelines:

- If a student's date does not attend CPS, contact information for that person must be given to the dance sponsor. If the date changes, the name and contact information must be changed with the dance sponsor no later than 3:00 P.M. on the day preceding the dance.
- In addition, students attending Homecoming/Prom must submit a signed Homecoming/Prom Contract for themselves and a signed Guest Registration Form for their dates by the deadline set for the Homecoming/Prom Committee, or they will not be admitted to Homecoming/Prom.
- Students who are under multi-day suspension from CPS and students who have been expelled or forced to withdraw from CPS may not attend school dances as anyone's date.
- Students must arrive at the dance no later than thirty (30) minutes after the beginning time of the dance or they will not be admitted.
- Once a student is admitted to the dance, he/she will NOT be allowed to exit until the appropriate time.
- Lewd dancing is prohibited.
- Illegal acts will be reported to law enforcement.
- All attendees, whether CPS students or non-CPS dates, are subject to the rules of conduct set forth in the CPS Student & Parent Handbook, particularly those of school dance behavior and dress, as well as the directives of the dance chaperones. Those who do not comply will be removed from the dance and subject to further disciplinary action.
- Students are responsible for the behavior of their dates and for informing them of the dress and behavior code for school-sponsored dances.
- Absolutely no alcohol, tobacco, electronic vaping devices or drugs of any nature are permitted at any CPS- sponsored dance. Any student OR date under suspicion of use or possession of prohibited substances will be removed from the dance, the parent(s)/guardian(s) will be contacted, and disciplinary action will result, in accordance with the Discipline Policy. The school reserves the right to determine admission/participation through the use of a Breathalyzer.

DANCE DRESS CODE

Gentlemen:

- Dress shirts must remain on and buttoned
- Dress pants that fit appropriately and do not hang below the waistline.
- No jeans or cargo-style pants
- For Prom Only- Dress shoes with socks
- For Prom Only – Either a tuxedo or full suit (with jacket) must be worn. Gentlemen may remove their jacket and tie during the dance; however, all other articles of clothing must always remain on and properly fastened.

Ladies:

- NO two-piece dresses or dresses that have the appearance of being two pieces. This includes dresses that are one piece but have mesh or flesh colored fabric at the midriff.
- If a two-piece dress is altered to make it a one-piece dress, the pieces **MUST** be sewn together. Hooks, snaps, pins, etc. are not acceptable ways to connect the pieces.
- Spaghetti straps and strapless styles are permitted so long as they are modest and unrevealing
- Laces, cutouts, or “notches” on the side or midriff of the dress must be backed or filled with opaque fabric that is **NOT** flesh toned. Colored mesh or netting, regardless of the number of layers, are not acceptable fill-ins.
- Dresses may not be see-through or “illusion” type fabric.
- Low back styles should not be lower than approximately mid-way between the shoulder blades and the natural waistline.
- Hemlines and slits on dresses should be no higher than 4 inches above the knee from the standing position. Lace extensions or sheer overlays are **NOT** considered the hemline. Slits may not be pinned.
- Dresses that become revealing while dancing are **NOT** allowed.
- No visible undergarments
- Dresses may not be overly tight or fitted

Dress Approvals:

All female CP students will be required to have dresses pre-approved at least two weeks prior to the date of the dance by the school’s “designated person.” Dates from other schools are not required to have dresses pre-approved; however, it is highly suggested. Gentlemen are responsible for making sure that their dates are aware of these guidelines and procedures when inviting them. Dress approvals will utilize the following guidelines:

- Photos of the student wearing the dress must show all necessary angles (i.e. slit height, length, back, front, sides, etc.). Make sure that the photos are **TRUTHFUL** in their depiction and are not taken at angles to make a dress look more modest. Submitted photos will be printed and on hand at the dance. If the dress you are wearing when you arrive at the dance does not match the depiction presented in the photos (i.e. taking photos that hide or downplay a slit and showing up with a much larger slit, etc.), you will not be admitted to the dance. No refunds or repayment for expenses will be given.
- If the photos of a dress are not clear enough to make an appropriate decision, the “designated person” may ask the student to physically bring the dress to school for approval. Refusal to do so if asked is an immediate non-approval of said dress.
- Photos **MUST** be emailed to the school’s designated person. Photos sent by text or shown on a student or parent’s phone will not be accepted.
- If a student is told that a dress must be altered or modified to be approved, the student must resubmit the dress for approval once said alterations or modifications are made.
- If you arrive at a dance in clothing that is deemed inappropriate by the dance chaperones, you will not be allowed to enter the facility until appropriate modifications or changes have been made. This may include, but is not limited to, having a new garment brought to you or consulting with dance chaperones for an appropriate and acceptable “quick fix.” If an appropriate fix is not found, you will not be admitted to the dance. In this case or if you choose to leave the dance instead of making changes, you will **NOT** receive a refund for admission or any expenses from the evening.
- In the event a student does not agree with the pre-approval decision of the designated person, the student may ask the dance sponsor for an appeal. The dance sponsor will arrange a time for the student to bring the dress to school and try it on for a panel of 3 faculty/staff members. The “designated person” and the dance sponsor may be present, but they may not serve as members of the panel. The decision of the panel is final.

MS/HS General Information

CARPOOL PROCEDURES

ARRIVAL

Multi-grade carpool

If you have lower/upper elementary, middle/high school or both students, please drop off the lower elementary students first, upper elementary second and drop off the older students in the middle/high school carpool drop off point on the way out of the school. This will help eliminate traffic backup.

Grades 6- 12

Drop off in the circle drive in front of the high school buildings under the remaining awning. Parents entering the south parking lot must abide by the Entrance/Exit signs. DO NOT block the driveway. Do NOT park in the teacher or student parking lots to drop off students.

DISMISSAL

Grades 6-12 are dismissed at 2:45 P.M.

Students in grades 6-12 remaining in carpool after 3:00 P.M. will be escorted to the boardwalk under teacher supervision. Any students remaining after 3:30 P.M. will be escorted to a supervised classroom and charged the aftercare drop-in rate of \$15.00 per incident. Students in unauthorized areas after 3:00 P.M. are subject to Level 1 consequences.

Multi-grade carpool

If you have elementary and middle/high school students together, PLEASE pick up the elementary students first at 2:35 P.M.

Grades 6-8

Middle school students are to be picked up at the awning in the circle drive in front of the high school buildings.

NOTE: If you have a middle school AND a high school student, they may be picked up together in the high school pick up spot in front of the weight room.

Grades 9-12

High school students are to be picked up in front of the weight room. Please use the first entrance to the circle.

- Parents are NEVER to use the Faculty parking lot OR student parking lots for parking or drive-through to drop off or pick up students of any age, except for those who must use the handicapped reserved parking.
- Parents are NOT allowed to remain in cars in the parking lot and expect students to be released by the duty teacher to report to the car without proper supervision. Please do not request teachers to release students this way; this is too dangerous.
- For obvious safety precaution, parents who pick up both elementary and MS/HS students must not allow the elementary students to play outside of their vehicles while waiting for MS/HS dismissal.
- High school students who drive are to exit the building(s) at 2:45 P.M. and go immediately to the student parking lot if they have no after-school extra-curricular activity.
- High school students who pick up elementary students should drive to the elementary Aftercare area to pick up younger students at the end of the high school day.

- **ALL DRIVERS:** “No Parking” signs along entrance streets help to eliminate traffic problems. Please abide by all parking rules and do not block traffic when loading/unloading students, whether elementary, middle, or high school.

LOCKERS

- A locker is made available for each student in grades 6-12. Teachers keep locker assignments on file for their homeroom students. Students may not use locks on lockers.
- Each student is responsible for keeping all belongings inside his/her assigned locker, with the exception of athletic bags, which may be kept on top of the locker. At no time should any personal items—book sacks, jackets, books, etc.—be on the hall floor. NO rolling book sacks are allowed.
- Students should never enter another student’s locker without permission from that individual.
- All lockers and desks are the property of Central Private School and their contents are subject to inspection by the administration at any time. Lockers should always be kept neat and free from trash or partially consumed food.

PARENT-TEACHER CONFERENCES

In the event that any parent/guardian needs to contact a teacher or administrator, the parent may do so by:

- Emailing the individual (individual email addresses are available on the school website and on Family Portal)
- Calling the school office and leaving a message
- If a multi-teacher conference is requested, please schedule the conference through the school counselor
- The school counselor may attend conferences as needed

Because it is difficult for teachers to return phone calls during the school day, parents are encouraged to use email as the preferred method of communication. Conferences are scheduled during a teacher’s planning period or before/after school.

For appointments with an administrator or school counselor, please schedule through the main office (261-3341). Due to multiple meetings with new family applicants, current students, faculty, staff, etc., unscheduled visits are strongly discouraged.

STUDENT HELPERS

Students who serve in the school office must have satisfactory academic records and must meet with the approval of the person(s) they will assist. They are under the supervision of the administrative assistant. Student helpers do NOT earn credit for this activity.

STUDENT VEHICLES

All student vehicles must be registered in the main office during the first two (2) weeks of school and the registration sticker visible at all times the vehicle is on campus. Students may lose their driving privileges for failing to have a parking permit. The cost of registering a vehicle is \$35.00.

Allowing students to drive vehicles to campus is a privilege extended by the school, not a right. Students are expected to drive responsibly not only on school property but also on the public roads in the vicinity of the school. Reckless and irresponsible driving reported to the school may result in a loss of driving privileges.

Rules for operation of a motor vehicle on campus are:

- Student drivers waive their right to vehicular privacy. School personnel may search student vehicles at any time.
- Parking tags must be hung from the rear view mirror and remain visible while the vehicle is on campus.
- The speed limit on campus is 20 MPH at ALL TIMES of the day or night.
- Parking is designated student-parking areas ONLY.
- The "Seniors Only" parking lot is the gravel lot adjacent to the faculty parking lot, next to the high school gym.
- Parking spaces in the front parking lot are reserved for faculty, staff, and guests.
- Students are NOT allowed to use the faculty parking lot at any time.
- Students are to exit their vehicles immediately upon parking in their designated areas.
- At no time will a student be allowed to play a radio or other audio device in a parked vehicle.
- No student may return to his vehicle after the school day begins without a pass from the duty teacher or permission from office personnel or administration.
- There will be no loud music from vehicles while on campus.
- No vehicle is to be driven off the roadway. Shortcuts through the shallow ditches or either side of the front parking lot are prohibited, and vehicles in violation of this rule will be removed from campus.
- Weaving in and out of traffic is not allowed.
- Spinning tires or driving recklessly will result in a loss of driving privileges for a period to be determined by the principal/superintendent.
- Students may also be fined a monetary penalty, suspended, or expelled for repeated violations of vehicle rules and privileges.

Penalties for Vehicle Violations

1st Offense – Warning issued; if violation is severe, loss of driving privileges may result on a first offense

2nd Offense – Student will not be allowed to bring vehicle to school for five (5) to ten (10) days

3rd Offense – Loss of privilege of bringing vehicle to school for remainder of school year (at Head of School's discretion)

VISITORS ON CAMPUS

Visitors are required to sign in at the main office and receive a visitor's pass. This includes parents, room mothers, teacher helpers, alumni, and students from other schools.

WORK PERMITS

Under Louisiana Law, ALL students under the age of 18 must obtain a work permit in order to seek employment, including summer jobs. Students may obtain a work permit from the main office.

ALCOHOL AND DRUG POLICY

Central Private School (CPS) believes that one of the greatest obstacles to our students' fulfilling their God-given potential is illegal drug use or abuse of alcohol and other drugs. Educational efforts, counseling, and disciplinary action constitute the threefold approach that we use to confront this obstacle. As an educational institution, Central Private School provides a comprehensive no-use zero tolerance drug policy. As part of our holistic approach to education, faculty and staff received training in drug-use recognition and prevention. They also learn interdisciplinary methods for teaching about the physical, physiological, and relational effects of drug use.

Central Private School remains dedicated to the concept of a drug-free campus. Private vehicles on CPS property are included in this policy. Drug tests are conducted on a random selection basis, and any other time deemed appropriate by the administration of CPS, without prior announcement. A student subjects himself/herself to disciplinary action, including immediate dismissal, in the following situation(s):

- Possessing, using, or purchasing alcohol or other drugs or drug paraphernalia on campus or at a school-sanctioned event.
- Selling or otherwise distributing or intending to distribute alcohol or other drugs regardless of time or place.
- A positive identification of alcohol or other drug use

CPS may require drug testing of any individual who, in the professional opinion of the administration and/or faculty, exhibits behaviors consistent with use of alcohol or illegal drugs. Should a student have a positive drug test or return a test that has been adulterated, that student will be dismissed immediately from CPS. If a student admits to administration (including faculty) that he/she is using alcohol or drugs prior to being subjected to a drug screen, he/she will be required to take random drug tests, at the parents' expense, for the remainder of his/her CPS career. When a student admits use of drugs or alcohol, his/her parents will be consulted, and in most cases, the student will be screened and, if necessary, referred for treatment in the community at the parents' expense. Once a student has been referred for drug or alcohol treatment, he/she and his/her parents must continue the treatment process until released by the professional providing the services. If the student refuses or prematurely terminates treatment, he/she may be asked to withdraw from CPS.

Legal Drugs:

Any student taking a drug or medication, whether or not prescribed by a physician, which is known or advertised as possibly affecting or impairing judgment, coordination, or other senses, or which may adversely affect ability to perform school activities in a safe and productive manner, must notify school administration prior to beginning class. The school administration will determine if the student can remain on campus at that time. Any student violating this policy is subject to disciplinary action which may include immediate dismissal from CPS.

Searches and Inspection:

Central Private School may conduct searches and inspections of students and their personal effects, lockers, lunch boxes, purses, book bags, vehicles, etc., located on the CPS property at any time. The selection of a person or object for search requires no explanation from the administration as to why that person or object was selected. The purpose of such searches and inspection under this policy is to determine whether any person is in possession of alcohol, drugs, controlled substances, or other

contraband items. Entry onto the CPS campus constitutes consent to such searches or inspections. When appropriate, any items discovered through such searches or inspections may be taken into custody and may be turned over to the proper law enforcement authorities.

ANTI-BULLYING POLICY

Central Private School recognizes that a school that is physically and emotionally safe and secure for all students promotes good citizenship, increases student attendance and engagement, and supports academic achievement. To protect the rights of all students and groups for a safe and secure learning environment, Central Private School prohibits acts of bullying, harassment, and other forms of aggression and violence. Bullying or harassment, like other forms of aggressive and violent behaviors, interferes with both a school's ability to educate its students and a student's ability to learn. All administrators, faculty, staff, parents, volunteers, and students are expected to refuse to tolerate bullying and harassment and to demonstrate behavior that is respectful and civil. Central Private School believes that standards for student behavior must be set through interaction among the students, parents and guardians, and staff, producing an atmosphere that encourages students to grow in self-discipline and their ability to respect the rights of others.

The scope of this policy includes the prohibition of every form of bullying, harassment, and cyber bullying/harassment, whether in the classroom, on school premises, immediately adjacent to school premises, when a student is traveling to or from school (portal to portal), or at a school-sponsored event, whether or not held on school premises. Bullying or harassment, including cyber bullying/harassment, that is not initiated at a location defined above is covered by this policy if the incident results in a potentially material or substantial disruption of the school learning environment for one or more students and/or the orderly day-to-day operations of the school or any school program.

Cyber bullying is defined as the willful and repeated harassment and intimidation of a person through the use of digital technologies, including, but not limited to, email, blogs, rooms, “sexting,” instant messaging, or video voyeurism.

Note: Voyeurism, which may be utilized in cyber bullying, in and of itself, is a criminal offense in the State of Louisiana.

“Bullying,” “Cyber bullying,” and/or “Harassment” also encompass:

- Retaliation against a student or school employee by another student or school employee for asserting or alleging an act of bullying, harassment, or discrimination.
- Retaliation also includes reporting a baseless act of bullying, harassment, or discrimination that is not made in good faith

“Bullying,” “Cyber bullying,” “Harassment,” and/or “Discrimination” (hereinafter referred to as bullying, as defined on page 1, Section A for the purpose of this Policy) also encompass, but are not limited to, unwanted harm towards a student or employee in regard to their real or perceived sex, race, color, national origin, age, disability (physical, mental, or educational), marital status, socio-economic background, ancestry, ethnicity, gender, gender identity or expression, linguistic preference, political beliefs, sexual orientation, or social/family background or being viewed as different in its education programs or admissions to education programs and therefore prohibits bullying of any student or employee by any Board member, school employee, consultant, contractor, agent, visitor, volunteer, student, or other person in the school or outside the school at school-sponsored events, on school vehicles, and at training programs sponsored by the school.

- **“Accused”** is defined as any school employee, contractor, visitor, volunteer, student or other person in the school and outside the school at school-sponsored events, on school vehicles, and at training programs sponsored by the school who is reported to have committed an act of bullying, whether formally or informally, verbally or in writing, of bullying.
- **“Complainant”** is defined as any school employee, contractor, visitor, volunteer, student, or other person who formally or informally makes a report of bullying, orally or in writing.
- **“Victim”** is defined as any school employee, contractor, visitor, volunteer, student or other person in the school or outside the school at school sponsored events, on school vehicles, and at training programs sponsored by the school, who is reported to have been the target of an act of bullying during any educational program or activity conducted by Central Private School.

II. Expectations

Central Private School expects students to conduct themselves in a manner in keeping with their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students, school staff, volunteers, and contractors, the educational purpose underlying all school activities, and the care of school facilities and equipment.

Central Private School prohibits the bullying of any student or school employee:

- During any educational program or activity conducted by Central Private School.
- During any school-related or school-sponsored program or activity on a Central Private school bus or designated vehicle.

- Through the use of any electronic device or data while on school grounds or on a Central Private school bus or designated vehicle, computer software that is access through a computer, computer system, or computer network of Central Private School. The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary action initiated under this Policy.
- Through threats using the above to be carried out on school grounds. This includes threats made outside of school hours, which are intended to be carried out during any school-related or school-sponsored program or activity, or on a Central Private School bus or designated vehicle.
- While the school does not assume any liability for incidences that occur in route to and from school, a student or witness may file a complaint following the same procedures for bullying against a student and the school will investigate and/or provide assistance and intervention as the Head of School or his/her designee deems appropriate.
- However, if a student's ability to receive an education or a school's ability to provide an education is significantly impaired, as determined by the school administration, disciplinary sanctions may be issued.
- Though an incident of alleged bullying (cyber bullying or other) may occur off campus and may not entail threats of acts to occur during school hours, if a student's ability to receive an education or the school's ability to provide an education is significantly impaired, as determined by the school administration, disciplinary sanctions may be issued.

II. Training

Central Private School requires school officials to disseminate annually the policy to all school staff, students, and parents, along with a statement explaining that it applies to all applicable acts of harassment and bullying that occur on school property, at school-sponsored functions, or on a school bus. The Head of School shall develop an annual process for discussing the school's policy on harassment and bullying with students and staff.

IV. Disciplinary Consequences

Central Private School believes that the best discipline for aggressive behavior is designed to (1) support students in taking responsibility for their actions, (2) develop empathy, and (3) teach alternative ways to achieve the goals and solve the problems that motivated the aggressive behavior. Central Private School prohibits both active and passive support for acts of harassment or bullying. Periodic classroom meetings should be conducted to teach bystanders how and when to respond to bullying and harassment incidents. Informal classroom discussions and activities designed to provide awareness and increase student connectedness promote a positive shift in peer norms that will support empowered bystanders.

Concluding whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances, followed by the determination of disciplinary sanctions appropriate to the perpetrator's position. Central Private School requires its school administrators to develop and implement procedures that ensure both the appropriate consequences and remedial responses to a student or staff member who commits one or more acts of bullying and harassment. The following factors, at a minimum, shall be given full consideration by school administrators for determining appropriate consequences for each act of harassment or bullying:

- Age, development, and maturity levels of the parties involved.
- Degree of harm (physical and/or emotional distress).
- Surrounding circumstances.
- Nature and severity of the behavior(s) .
- Incidences of past or continuing pattern(s) of behavior.
- Relationship between the parties involved.
- Context in which the alleged incident(s) occurred.

Note: In order to ensure students' perception of fair and impartial treatment, a student's academic or athletic status is not a legitimate factor for determining consequences. Consequences must be perceived as fair and impartial.

School employees will also be held accountable for bullying or harassing behavior directed toward school employees, volunteers, parents, or students. Consequences for a student who commits an act of bullying and harassment shall vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student's history of problem behaviors and performance, and must be consistent with the school's approved code of student conduct. Remedial measures shall be designed to correct the problem behavior, prevent another occurrence of the behavior, and protect the victim of the act. The consequences and remedial measures may include, but are not limited to, the examples listed below:

- Participation in a guided reflection process designed to teach alternative behavior
- Temporary removal from the classroom
- Loss of privileges
- Classroom or administrative detention
- Referral to disciplinarian
- In-school suspension during the school week or the weekend, for students
- Out-of-school suspension
- Legal action
- Expulsion or termination

V. Reporting an Act of Bullying

The investigation of a reported act of bullying of a student, school-based employee, parent/guardian, or other persons providing service to the school is deemed to be a school-related activity and begins with the report of such an act. Central Private School requires the Head of School and/or his/her designee to be responsible for receiving oral or written complaints alleging violations of this policy.

Any student (and/or the parent on that complainant's behalf if the complainant is a minor) who believes he/she is a victim of bullying (or any individual, including any student who has knowledge of any incident(s) involving bullying of students) is strongly encouraged to report the incident(s) in writing to a school official. Complaints should be filed as soon as possible after the alleged incident and noted on the specified data system, but must be filed within ninety (90) days after the alleged incident (i.e. within 90 school days of the last act of alleged bullying). Failure on the part of the victim to initiate and/or follow up on the complaint within this period may result in the complaint being deemed abandoned.

All school employees are required to report alleged violations of this policy to the Head of School or his/her designee. All other members of the school community, including students, parents, volunteers, and visitors, are encouraged to report any act that may be a violation of this policy. Reports may be

made anonymously, but formal disciplinary action may not be based solely on the basis of an anonymous report.

Central Private School requires the Head of School and/or his/her designee to be responsible for determining whether an alleged act constitutes a violation of this policy. In so doing, the Head of School and/or his/her designee shall conduct a prompt, thorough, and complete investigation of each alleged incident. The investigation is to be completed within five school days after a report or complaint is made. The parents of the students involved shall receive written notice from the school on the outcome of the investigation (in compliance with current privacy laws and regulations). All reports on instances of bullying and/or harassment must be recorded for annual data review.

VI. False Accusation(s)

Central Private School prohibits any person from falsely accusing another as a means of bullying or harassment. The consequences and appropriate remedial action for a person found to have falsely accused another as a means of bullying or harassment may range from positive behavioral interventions up to and including suspension or expulsion. Consequences and appropriate remedial action for a school employee found to have falsely accused another as a means of bullying or harassment shall be in accordance with school policies, procedures, and agreements.

VII. Retaliation Prohibited

Central Private School prohibits reprisal or retaliation against any person who reports an act of bullying or harassment or cooperates in an investigation. The consequences and appropriate remedial action for a person who engages in reprisal or retaliation shall be determined by the administrator after consideration of the nature, severity, and circumstances of the act.

Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment in connection with filing a complaint or assisting with an investigation under this Policy.

Retaliatory or intimidating conduct against any individual who has made a bullying complaint or any individual who has testified, assisted, or participated, in any manner, in an investigation is specifically prohibited and as detailed in this Policy shall be treated as another incidence of bullying.

VIII. Confidentiality

To the greatest extent possible, all complaints will be treated as confidential and in accordance with the Family Educational Rights and Privacy Act ("FERPA"). Limited disclosure may be necessary to complete a thorough investigation. The school's obligation to investigate and take corrective action may supersede an individual's right to privacy. The complainant's identity shall be protected, but absolute confidentiality cannot be guaranteed. The identity of the victim of the reported act shall be protected to the extent possible.

IX. Referral for External Investigation

If the act is outside the scope of Central Private School or is determined to be a criminal act, referral to appropriate law enforcement shall be made immediately, the parent will be notified, and the referral documented by the Head of School and/or his/her designee in the specified data system. While the school does not assume any liability for incidences that must be referred for external investigation, it

encourages the provision of assistance and intervention as the Head of School and/or his/her designee deems appropriate.

X. Additional Referral

In all cases, Central Private School reserves the right to refer the results of its own investigation to the appropriate law enforcement authorities for possible criminal charges, whether or not the school takes any other action.

This policy should not be interpreted as to prevent a victim or accused from seeking redress under any other available law either civil or criminal.

XI. Severability

If a provision of this policy is or becomes illegal, invalid, or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in this jurisdiction of any other provision of this policy.

CHEATING/PLAGIARISM POLICY

Cheating is stealing and a first offense will result in a zero (0) grade on the test and/or assignment. Parents will be notified, and the appropriate consequence assigned. A second offense will result in a zero (0) grade and an automatic out-of-school suspension. Further offenses will put the student at risk of being dismissed from the school.

Plagiarism is stealing by presenting another's words as one's own. It is a serious offense and it is the student's responsibility to avoid plagiarizing by proper use of quotation marks and source citation to give credit to the original write. In general, three or more consecutive words copied from a source MUST be given credit. Teachers are expected to assist students in understanding correct use of internet and print materials, when too-close paraphrasing becomes plagiarism, and the correct method of source citation.

COMPUTER/INTERNET POLICY

Central Private School's information technology resources, including Internet access, are provided for educational purposes. The school's network facilities are to be used in a responsible, efficient, ethical, and legal manner in accordance with the school's mission and purpose.

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of the school setting. Central Private School has taken available precautions to restrict access to inappropriate materials using CIPA compliant programs. However, on a global network it is impossible to control all material, and an industrious user may discover inappropriate information. Because the Internet contains an unregulated collection of resources, the school cannot guarantee the accuracy of the information or the appropriateness of any material that a student may encounter.

The smooth operation of the network is dependent upon the proper conduct of the users who must adhere to strict guidelines, rules, and regulations which are provided so that student users are aware of the responsibilities they are about to accept. In general, their responsibilities necessitate acceptable, ethical, and appropriate utilization of the electronic network resources.

Therefore, before using the school's on-line resources, each student and his/her parent/guardian shall sign and return a CPS Acceptable Use Agreement. This agreement shall specify user obligations and responsibilities and shall indemnify the school for any damages. The parent/guardian shall agree not to hold the school responsible for materials acquired by the student on the system, for violations of copyright restrictions, users' mistakes or negligence, or any costs incurred by users.

Terms and Conditions

Central Private School reserves the right to access any file or information communicated through or on its property and will do so if a compelling reason arises.

Central Private School retains the right to monitor network activity in any manner it sees fit. The individual has no reasonable expectation of privacy.

Students using Central Private School's computers, Internet access, or using personal devices with Internet/email capability on campus during school hours in violation of school policy are expected to act in a manner consistent with the school's values. Communications on the Internet reflect on Central Private School and must not damage the school's reputation.

The use of any Central Private School computer which provides access to the Internet is a privilege which may be revoked by the school at any time for abusive or inappropriate conduct. Such conduct may include, but is not limited to, the placing of unlawful information on or through the computer or system, accessing another person's files or e-mail, and the use of obscene, abusive, or otherwise objectionable language or images in either public or private files or messages.

Central Private School provides individual student Google accounts for storage, e-mail, and Classroom purposes.

Deletion, examination, copying, or modification of files and/or data belonging to other users without their prior consent is prohibited.

Commercial software is placed on the computer for the use and convenience of students and staff. Any unlawful use such as the copying of copyrighted material without the express written permission of the owner or the proper license is prohibited.

The school does not warrant that the functions of the system will meet any specific requirements that a student may have, or that it will be error-free or uninterrupted; nor shall it be liable for any direct or indirect, incidental, or consequential damages (including lost data or information) sustained or incurred in connection with the use, operation, or inability to use the system. Central Private School specifically denies any responsibility for the accuracy of information obtained through electronic information resources.

Acceptable Use

Acceptable use means that a student uses the Internet and other electronic information resources in an appropriate manner, abiding by the rules and regulations as described in this agreement. Students who "publish" on the Internet must abide by the approved publishing procedure, which includes informing and involving a content sponsoring teacher.

Unacceptable Network Use

Transmission or intentional receipt of any inappropriate material or material in violation of city, state, or federal law is prohibited. This includes, but is not limited to: copyrighted material; threatening, bullying, harassing, or obscene material; posting/sending personal photos or videos which are inappropriate; material protected by trade secrets; commercial activities by for-profit institutions; use of product advertisement or political lobbying; the design or detailed information pertaining to explosive devices, criminal activities or terrorist acts; sexism or sexual harassment; pornography; gambling; illegal solicitation; racism; and inappropriate language. Illegal or inappropriate activities, including games, use of the network in any way that would disrupt network use by others, or activities of any kind that do not conform to the rules, regulations, and policies of Central Private School are forbidden.

Students are prohibited from using the school's technology resources to share school-related files when the project, activity, or assignment is to be done independently. Using the computer to copy another person's work or plagiarizing the work of another person and presenting it as the student's own is a violation of school policies.

Vandalism is defined as any unauthorized, deliberate action or malicious attempt to harm which damages or disrupts a computing system (including the willful introduction of computer "viruses" or other disruptive/destructive programs), alters its normal performance, or causes it to malfunction. Intentional attempts to "crash" network systems or programs are punishable disciplinary offenses. Seeking or gaining unauthorized access to network resources or resources on the Internet or attempting to breach security mechanisms is strictly prohibited. Any engagement in computer and/or network vandalism constitutes unacceptable use and will subject the student to appropriate disciplinary action, including, but not limited to, loss of student's technology privileges, suspension, expulsion, monetary restitution for damages, and/or criminal prosecution.

Consequences for Violation

The use of electronic information resources is a privilege, not a right. Inappropriate use of these resources and/or violations of these rules may result in disciplinary action, including the loss of a student's privileges to use the school's information technology resources, possibility of suspension or expulsion, and/or referral to legal authorities. The Head of School or his/her designee may limit, suspend, or revoke access to electronic resources at any time.

Social Networking Sites

Central Private School does not provide access to social networking sites through school computers. Students and employees who use such sites on their personal computers are reminded that communications on the Internet reflects on Central Private School and must not damage the school's reputation. Students are encouraged to employ site-available limits on who is allowed to view personal information, photos, or videos, particularly any visual or written communication that identifies the student's association with Central Private School in a negative or inappropriate manner.

For their own protection, students are also cautioned against revealing personal information such as home address, phone numbers, password, credit card numbers or social security number, etc., as well as the personal information of others.

Anyone receiving financial aid for Central Private tuition is not allowed to post on social media any verbiage that would reflect poorly on the school. If public knowledge through social websites or other means are obtained, financial aid can be reduced and/or eliminated from subjects.

Supervision and Monitoring

The Head of School, teachers, and supervising authorities monitor the use of information technology resources to help ensure that users are secure and in conformity with this policy. The administration reserves the right to examine, use and disclose any data found on the schools' information network in order to further the health, safety, discipline, or security of any student or other person, or to protect property. The administration may also use this information in disciplinary actions and will furnish evidence of crime to law enforcement.

OBLIGATION TO REPORT CHILD ABUSE/NEGLECT POLICY

All Central Private staff has a legal obligation to report any acts of suspected abuse or neglect of children to the appropriate state agency. Central Private School will cooperate with any state official(s) conducting such an investigation.

STUDENT PREGNANCY POLICY

Should pregnancy occur, every possible measure should be taken to encourage counseling, healthcare, continued education and direction to help each student make a mature decision.

The following guidelines must be adhered to:

- The school will work on an individual basis with any student who becomes pregnant, and with her family. Likewise, the school will work on an individual basis with any student who fathers a child, and with his family.
- School counseling will be directed to respect life.
- Neither the student mother nor the student father will be allowed to participate in extracurricular activities during the pregnancy.
- While all reasonable attempts will be made to ensure that the pregnant student and student father will continue her/his education during pregnancy and after the baby is born, the continuation of her/his education in Central Private School depends upon:
 - Developing an educational plan for online coursework during pregnancy.
 - The psychological well-being of the student.
 - The student's previous academic status in school.
 - Continued counseling of the student during pregnancy and after the birth.
 - The educational plan will be developed by the student, administrator, the student's parents/guardians, and the Central Private School counselor

Standards for Health & Safety

LICE POLICY

Any student suspected to have head lice will be checked by CPS staff. If a student is deemed to have lice, it is mandatory that the student is to be immediately checked out from school to be treated. A physician's note must be sent to school stating that the student was treated for lice. Exception: If a student is treated by NitWits (a reputable company who treat head lice with a non-chemical alternative treatment), a confirmation form of this treatment may be sent to school instead of a physician's note.

ILLNESS POLICY

In order to keep our campus free from contagious illness or conditions, adhere to the following:

- A student must be fever, vomit and/or diarrhea free for a minimum of 24 hours before returning to school.
- A student who is diagnosed with a contagious illness or condition must be cleared by an official doctor's note to return to school.

Every accident in a school building, on school grounds, at practice sessions, or at any athletic event sponsored by the school must be reported immediately to the person in charge of the event and to the school office.
