DRESS CODE

The purpose of the dress code is to encourage students to dress decently and be a positive representative of themselves and their home, as well as Central Private School. The uniform also provides a safety factor for our students and will not allow strangers to come onto our campus unnoticed.

DAILY DRESS CODE – K3-5th grade

- Only the approved daily uniforms items may be worn as part of the daily uniform.
- All students attending CPS will conform to the daily uniform dress code except when notified in advance; then, they must follow the dress code for non-uniform occasions such as \$1.00 Dress or Spirit Dress Days.
- The uniform dress code applies to each student from the time he/she enters the CPS campus until he/she leaves the CPS campus, including to and from the parking lots and carpool drop off/pickup areas.
- Color and texture of materials vary greatly when purchased from different sources; therefore, we require uniforms be purchased from any one of our approved vendors. Parents may not purchase the school plaid fabric to make uniform items. Uniforms may not be altered in any fashion except to ensure proper fit.
- All accessories worn must be compatible with uniform colors and non-distracting or disruptive.
- T-shirts and other undergarments worn under the uniform shirt or approved spirit shirts must be solid white with no visible writing or graphic design. Thermal tops and/or bottoms are not permitted to be worn under shorts or under short sleeve shirts.
- Shoes must be worn at all times. Hats, caps, knit hats, and gloves are not allowed inside the building.
- Sunglasses may not be worn. No hooded sweatshirts are permitted to be worn on campus during the school day for any reason.
- All shirttails must be tucked in at all times including spirit shirts, team shirts, etc. Skirts may be worn for religious reasons through arrangement with the Head of School or his/her designee prior to the beginning of school.
- Students are required to wear the uniform for school pictures taken in the fall and for all scheduled class pictures. Clothing for spring pictures will conform to the dress code for non-uniform occasions.
- Students are required to wear the uniform for all field trips unless prior approval to the contrary is gained by the teacher from the Head of School or his/her designee because of the specific activities involved.
- Students may be exempt from the uniform dress code if attending an activity during the school day for which the sponsor requires students to wear a specific event uniform, i.e. team uniform, etc. If the student is exempt from the uniform dress code, then that student **MUST** be dressed in the designated event uniform while attending classes that day. Activities exempt from wearing uniforms:
 - District and State Rallies
 - Participation in off-campus events (Quiz Bowl, spelling bee, reading fair, etc.)
 - Spirit Dress Days
- Students who enroll at CPS after the beginning of the school year must purchase uniforms within a ten (10) day period or bring a note from the vendor stating the reason the student cannot conform to the uniform dress code within that time frame.
