A Special Message From...

Mrs. Kelli LaCroix

On November 17, 2020, I finished my last round of chemo and on Tuesday, January 26th, I received my 30th and LAST radiation treatment for Breast Cancer!! I just want to thank all of the students, faculty, staff and parents who have supported me throughout this journey. I would not be where I am today without your love, thoughts and prayers.

With Love,
Mrs. LaCroix

Thank YOU

On behalf of all our elementary teachers who have needed a substitute to fill in for them, we hope CP's great team of substitute teachers accept our sincere thanks for all of your contributions.

The role of a substitute teacher may be different from that of a regular classroom teacher in some respects, but it is equally demanding, equally essential, and equally professional. Our subs play a major role in carrying out the activities planned by our teachers when they are absent, and we value and recognize their great efforts.

Thank you again, to the reliable and trustworthy substitutes of Central Private, for your time, creativity, and enthusiasm that is required to work in this environment.

★ If you're interested in becoming a substitute, please email kcupit@centralprivate.org or visit the main office.
