The Nest Campaign Committee is an exciting and engaged working committee dedicated to the goal of creating One School, One Campus at Central Private. Board members are expected to be timely and present at every meeting, with a maximum of two absences from committee meetings. Between work within and outside meetings, hours of commitment would probably vary between 3-5 hours per month. Committee members are also encouraged to participate in fundraising and development activities, which include an annual gift to the Nest Campaign that is personally significant and meaningful. Committee members are expected to commit to the role for a minimum of one calendar year. Will you be able to make this commitment to the Nest Campaign?
