- Students in grade 6 will be required to earn 10 (ten) **ACCELERATED READER™** points for summer reading.
- Students in grade 7 will be required to earn 13 (thirteen) **ACCELERATED READER™** points for summer reading.
- Students in grade 8 will be required to earn 15 (fifteen) **ACCELERATED READER™** points for summer reading.
- Middle school students are required to read novels with a **4.5 reading level or higher**.
- Points earned over the summer requirement will be counted toward the students' fall semester reading goals. Students should be prepared on the first day of school to take AR tests on their summer reading novels for a test grade. Students may NOT test on novels previously taught in a CP class.

The Central Private School website is equipped to assist you with your AR questions.

1. Visit Student Portal.

2. Click on Library Resources.

3. Click on Accelerated Reader Resources

- AR BookFinder (research whether a novel has an AR test, a novel's reading level, a novel's points)
- AR Home Connect (research all tests previously taken at Central Private). Reminder: Once a student has taken a test on a novel, he may not repeat that test, even if no points were earned.
